My life has never been rehearsed. It's pretty much been a series of impromptu events, strung together by an invisible string of maybe's, should of's, could of's and would ofs. Everything would of turned out perfectly.. ... if I just could of done that. I should have taken the other road. Maybe I wouldn't be standing on the side of the road, ...waiting for Godot! Everyone should write The Cliff Notes Version of their thoughts, experiences and life. The ones they like ...the ones they're proud of, and some of those... they shouldn't write. Like I said, a life full of..."Ofs". Kind of like this book. I truly hope it makes you think, imagine, and mostly...Smile! If you did any of the above, then you will be released into the Universe to discover your truths! Carried on that invisible bond which binds us all... Our combined ...Imaginations! Welcome to my little piece of the \*Big Picture\*! The "maybe\* Part.....Maybe, if we really imagine.. ..we can bare our Hearts and Souls. Maybe...someone else will imagine they too, can be a part of the light which leads us out of the Darkness we all fear....Rejection! I would ask this one question of you... Can we all live in Peace with each other, someday... with the unconditional love... ...God has for us? Talk Amongst Yourselves! : )
