Some of these pieceworkers rebel, trying to go into business for themselves?but there's little to stop their bosses from dragging them back into servitude. Some of them, like young Mala in the slums of Bombay?nicknamed "General Robotwallah" for her self-taught military skill?become enforcers for the bosses, but that only buys them so much.

All the way over in L.A., young Wei-Dong, obsessed with Asian youth culture and MMORPGs, knows the system is rigged, knows that kids everywhere are being exploited. Finally, he and his Asian counterparts begin to work together to claim their rights. Under the noses of the ruling elites, they fight the bosses, the game owners and the rich speculators, outsmarting them with their street-gaming skills. But soon the battle will spill over from the virtual world to the real one, leaving the young rebels fighting not just for their rights, but for their lives....
