God Is My Coach: A Business Leader's Guide to Finding Clarity in an Uncertain World Larry Julian
Business leadership coach Larry Julian helps readers navigate "the gray zone"-those make or break moments of decision making that are filled with uncertainty. There are times when intellectual and business logic are tested beyond one's perceived limits, when important decisions have no correct answers and can only be made by a leap of faith. Our true greatness lies *within* the gray. Julian shows readers that, with God's guidance, uncertainty is the very catalyst for making wise, impactful decisions that shape destinies. We learn to live and lead in the context of uncertainty rather than becoming paralyzed by it. GOD IS MY COACH is the means to living a significant life and to leading others in an uncertain world.
