From the author of the Master Chefs Series, PULSE Series, DESIRE Series, SESSIONS, Barely Legal, The Blue Room Series, Saving You Saving Me, and the Protege Series, comes...HEAT!

Bobby Cummings went to Paris to study at the same international culinary institute as his sister Taryn Cummings. Instead of taking it seriously as she did, he wanted to sample all the goods in Paris, especially the pretty girls there. Why not? He was 19 and the world was his oyster. He wanted to be just like Errol King, a Master Chef, who taught at the Institute and was a notorious bad boy chef.

The only thing was someone was going to walk into his life and put a wrench into his plans...someone with eyes like violets and hair like chocolate silk, and a smoldering passion that consumes him whenever they're together.

He didn't think she would be his type at all. He didn't think he would be hot for Lily, his teacher at the Culinary Institute. Now what would Taryn think? What would Errol think?

Whatever they thought...there's one thing he knew for certain, things with Lily and at the Institute had just gotten heated.

This is a 6 book serial with each book consisting of over 22,000 words or 125 pages.
