Fighting for Freedom

Faustus had been a Gladiator for as long as he could remember. He had worked his way up through the ranks and was on his fifth and final fight to gain what so many wanted. There was nothing in his mind except the win, at any cost. He never knew that from the stands of the Coliseum a woman watched breathlessly for his freedom as well. For him, his whole life was about the fight and the spoils that came from that. He never expected that after his freedom would be granted he would have to fight to keep his heart in the end.
