### LOOK AGAIN

When reporter Ellen Gleeson gets a "Have You Seen This Child?" flyer in the mail, she almost throws it away. But something about it makes her look again...

The child in the photo looks exactly like Ellen's adopted son, Will. But how could it be if the adoption was lawful? Everything inside her tells her to deny what she sees. But Ellen won't rest until she finds out the truth. And she can't shake the question: If Will rightfully belongs to someone else, should she keep him or give him up?

Ellen makes the wrenching decision to investigate, following a trail of clues no one was meant to uncover. And when she digs too deep, she risks losing her life—and that of the son she loves.

### SAVE ME

Nobody could have foreseen what would happen the day that Rose McKenna volunteers in the cafeteria of her daughter's elementary school. Rose does it to keep a discreet eye on her third-grader, Melly, a sweet, if shy, child who was born with a facial birthmark that has become her own personal bull's-eye. Melly has been targeted by the mean girl at their new school and gets bullied every day, placing Rose in a no-win position familiar to parents everywhere. Do we step in to protect our children when they need us, or does that make things worse?

When the bully starts to tease Melly yet again, Rose is about to leap into action—but right then, the unthinkable happens. Rose finds herself in a nightmare, faced with an emergency decision that no mother should ever have to make. Would she sacrifice another mother's child to save her own? What she decides in that split second derails Rose's life and jeopardizes everything she holds dear—her family, her marriage—and even her own life...
