Good Night North Pole (Good Night Our World) Adam Gamble

Taking young readers on a visit to Santa's village at the North Pole, where everyone is busily getting ready for Christmas Eve, this board book is a delightful celebration of the traditions and legends about Santa Claus. With rhythmic language and salutations that guide young children and their families through the passage of a single day, readers visit many enchanting places in Santa's village, including the post office, where children's letters to Santa arrive daily; the workshops, where elves are making toys for Santa to deliver to children all over the world; and the stables, where they meet Rudolph and the other reindeer and discover Santa's magic sleigh. As the day closes, they visit the home of Mr. and Mrs. Claus, where goodies fill their stomachs and warm their hearts. Finally, Santa departs on his sleigh, delivering presents and good will around the world.
