Islam, Science And the Astonishing Facts about The Holy Quran 2014 Mr. Faisal Fahim, Dr. Maurice Bucaille, Dr.Zakir Naik

A must read book of dawah, Quran, Hadith & science. Allah has promised to keep The Quran same until the Day of Judgment & challenged humans to create another accurate book like Quran & said if you can't, surrender to your lord (the only way of peace& heaven). Quran is word of God & it has the information of past, present& future. God reveled to Prophet Muhammad whatever God wanted to & kept some information only to God by reveling some & not reveling some. But still Quran is 1 great source of information from God. There is no God but Allah & Muhammad (pbuh) is the prophet & messenger of Allah. Allah (swt) Says : "Invite to the Way of your Lord (i.e. Islam) with wisdom (i.e. with the Divine Revelation and the Qur'an) and fair preaching, and argue with them in a way that is better. Truly, your Lord knows best who has gone astray from His Path, and He is the Best Aware of those who are guided." [Quran 16:125] Prophet Muhammad (PBUH) said: "If Allah guides a person through you, it is better for you than all that is on the earth." (Bukhari No. 2783 & Muslim No. 2406). Convey (my teachings) to the people even if it were a single sentence" (Sahih Bukhari, Vol.4, Hadith 667) "Verily, those who conceal the clear proofs, evidences and the guidance, which We have sent down, after We have made it clear for the people in the Book, they are the ones cursed by Allah and cursed by the cursers."(Quran, al-Baqarah: 159) So, buy a book read it yourself, also give to others, share it, spread the knowledge of Islam & only expect your countless rewards sawab blessings from Allah only. Islam is the only true religion & the Quran is the book of the evidence of Allah.A must read book about the hidden facts of the similarities of Islam, Quran, Hadiths & science. All the miracles & scientific information in the Holy Quran are only reveled by the true all known 1God Allah.
