THE WEEKEND

Vanessa Stephens is about as conservative as they come. She's a straitlaced Brit who works as a data analyst at a large London insurance firm. Her career has always come first, until she meets fiery Irishman, Patrick O'Connell, at a weekend getaway in Ireland. Patrick is crude, rude, with lots of 'tude: and one of the sexiest men Vanessa has ever met. She finds herself falling for him head over heels and doing things she'd never imagined she'd do. When she learns that everything with Patrick may not be as it seems, she must make a decision to dive in with both feet or run away as fast as she can.

BONUS BOOK 1: THE TEASE

When Christina Bradford lands a coveted internship at Pearl Magazine, the hottest women's publication in the city, she is thrilled. She's weeks away from graduating with a degree in design. The internship is the chance of a lifetime to work with top writers, designers, and marketers who can help sky rocket her career after graduation. Then she meets her new boss, hotshot magazine editor, Lucas Powers. Christina and Lucas share a secret. They are stepbrother and stepsister and can't stand on another. When they are thrown together at work, Lucas tries to keep his distance, though it's like a drunk trying to resist a drink. Soon, Christina has an idea: if they act on their years of pent-up passion and "get it out of their system", then they could coexist in harmony. It's a fine theory, but Lucas knows that once he's tasted Christina's lips, there will be no going back.

BONUS BOOK 2: MONEY TALKS

Self-made billionaire, Cameron Erickson, has it all: movie star good looks, more money than he could ever spend, and women lined up for miles willing to spend the night with him and satisfy his every desire. When he's accosted at a charity event by a fiery redhead named Bella Spencer, it's clear this is one woman who will not be tempted or intimidated by his looks, charm, and money. Bella is there as the spokesperson for a group of tenants about to be put on the street by one of Erickson's construction projects. When Erickson has Bella investigated, he learns that she is no common community activist with a big mouth. She has an MBA and worked

for two years at a large Chicago law firm before suddenly quitting and moving into the building his company is about to raze. Why would an accomplished woman like Bella be waitressing at a dive bar and living in a crumbling apartment building? It's just part of the mystery of Bella Spencer that Cam Erickson is determined to unravel.

BONUS BOOK 3: ALL IN

Michelle Baxter's fiance dumped her when she revealed that she couldn't have children. She fills the void in her heart with work as a paralegal in the city and youth soccer coach for a prestigious private school. Then she meets Matthew; the handsome Navy SEAL uncle of one of her players and falls head over heels. And to confuse matters even more, her new assistant coach, a beautiful Asian woman named Mariko has designs on Michelle, as well. Will Michelle follow her heart and choose Matthew or pursue her hidden passions with the sexy Mariko?
