Self Improvement: You Can Be An Author Too!: How You Can Be A Successful Self-Publishing Author (Passive Income by Self Publishing Series) Ross Wentzell

Creativity and imagination are the sole domains of human intellect and one cannot claim them to be the part of any other creature. Because of this supreme dominance creativity is eventually shown in all the domains of human life. The quest to find out these hidden talents can eventually make up the way for miraculous creations in the form of different arts and piece of writings

As the title of the book depicts, everyone is bestowed with a hidden talent of creativity and innovation. One needs to pay close attention to these talents so that the utmost productive usage of these talents can be ensured.

In this book I have discussed writing as an activity which comes in the most natural form but needs to be brushed up and refined. The title of the book also depicts that we all are creative by birth but what we need, is the appropriate environment and tuning of the hidden talents

The important topics and the prominent suggestions discussed in this book entail to the following head issues:

- A preliminary discussion to help the readers in exploring and digging out their potentials and talents so that everyone can get the clear picture of the talents residing inside one's self.
- The ways in which one can detect about the ways to use the writing skills and the hidden creative potentials.
- An account of some simple methods to help the readers understand the broad and vast spectrum of publishing industry.
- A list of some fundamental ways to incorporate writing in one's daily routine and making it part of one's daily habits.
