There's a fine line between matchmaking and *meddling*...

Stuck in a boring job, living at home with her parents and without even a glimmer of romance on the horizon, Emma Bennet's life isn't turning out how she planned. And since hit reality show *Mind Your Manors* started being filmed at the Bennet household, she's felt more like a spare part than ever.

Matchmaking her assistant, Martine, is just the distraction Emma needs – and, whether Martine likes it or not, Emma is determined to see her coupled up before long! But when she meets Mark Knightley, the genius behind *Mind Your Manors*, Emma finds her own heart on the line...

Mark is everything Emma isn't: quiet, reserved...and forever minding his own business! And suddenly, Emma is determined to prove to Mark that she's ready to stop thinking about other people's love lives – and focus on her own.
