## **The Game Evil Plays** R. L. Stover

A little boy and his dog take on a serial killer in the thriller *The Game Evil Plays*; however, the evil they have taken on is no longer human. Robbie and his family move into a new home, but the house is already occupied. It contains the evil presence and dark soul of Dale Plush, a maniacal serial killer from the mid 1800s. When the family adds a chow-chow named Bandit to the family, a bond is quickly formed between ten-year-old Robbie and the friendly dog. Their connection is so strong, they have the ability to communicate telepathically. Now the two must face off with the deadly spirit to end his reign of terror. Is their bond and their faith strong enough to defeat pure evil at its own game? Turn on all the lights and lock all the doors before you start reading *The Game Evil Plays*. Just remember, you can't lock out a ghost! First time author R. L. Stover lives in Greencastle, Pennsylvania. Growing up, his best friend was his dog named Bandit. He is writing the sequel.
