Art of War Sun Tzu

The art of war is an unlucky book. Sun Tzu's military classic has been a victim to the revisions of his descendants, the misinterpretation of his fellow strategists, and finally, the wrongheadedness of western interpreters. Now, at last, the curse is lifted. Jon Han-Sun has accomplished nothing short of miraculous with this completely new and completely restored version of the world's oldest book on strategy. Written for native English speakers, Han-Sun captures the lost beauty and insight of the original work.
