Crime History and Histories of Crime: Studies in the Historiography of Crime and Criminal Justice in Modern History (Contributions in Criminology and Penology) Clive Emsley

When is a crime a crime? or an act condoned by a significant portion of society? When is a criminal a criminal? or a revolutionary or a national hero? As the chapters in this collection make clear, what constitutes criminal activity varies, to a degree, among different societies and at different moments in a society's history. In this wide-ranging work, major historians of criminology and penology examine aspects of crime and criminal justice from medieval Western Europe to modern day Canada.

In addition to examining crime, the judicial system, and punishment in various societies, the chapters look at the evolution of police systems as societies urbanize and undergo population changes. Together these chapters look at many key questions concerning the modern study of criminal behavior. As such, the volume will be of great interest to researchers and scholars of the history of crime.
