George Hunter

Flipside George Hunter

Flipside is the story of Gus Thatcher, a man driven by his own darkness. He journeys on roads, conjured in his mind, playing Rock 'n' Roll radio, to meet with his imaginary psychologist, who hits him with the hard, harsh side of reality. His search reveals light and dark places, inside and out. He eventually meets someone who is able to see both, and so is able to show him the best of each.
