US Terms version. The GREG Crochet Blanket Pattern makes an elegant square blanket around 50" across.

GREG stands for Grand and Resplendent Endeavour in Gaiety. He is rather grand and each of the 5 patterns that go together to make GREG are named similarly - Tom, Joe, Tim, Ian are all 5" patterns and Bob is 15". Each has their own style and look but they all come together to make a statement blanket you will want to display.

GREG was designed to be made in a single, elegant colour to create an heirloom piece.

The pattern is well organised with separate chapters for the written patterns, hints and tips for each pattern and round by round pictures, easily accessible by using click-able links within the text.

As well as the patterns, you'll find joining methods, tips about gauge, a neat border pattern and links to YouTube videos for the stitches and techniques you'll need to know.

The GREG pattern can easily be changed into a rectangular shape and there are instructions for this in the ebook.
