How To Start A Kinky Relationship: The definitive guide to starting and sustaining a healthy, loving, satisfying alternative relationship. James Amoureux

"How To Start A Kinky Relationship" is for the kink-curious novice as well as the seasoned bondage master and long time S&M submissive. People who never had the pleasure of a kinky relationship will find all the tools they need to get the ball rolling. People who have been kinky in the past but "just fell into it" will have a systematic approach to starting and growing their next relationship. People who already self-identify as kinky or queer or pervert will find plenty of insights that will improve their overall communication and sexual relationships. This book delves into the mindset, activities, and communication styles that make kinky relationships great. It shows you how to get comfortable with kink, find partners, screen them for compatibility, communicate your desires, and grow your relationship. It does not detail rope bondage techniques, how to become a leather-studded sex machine, or how to use the Force to lure unsuspecting Jedi to the Kinky side. Rather it will help you understand your own personal preferences and how to find a compatible partner to play with. The focus of this book is on relationships, not landing kinky quickies with your online hook up. Still, casual encounters follow the same principles: know what you want, be congruent, define your relationship terms, get enthusiastic consent, and take responsibility for your actions. Then you can keep yourself busy having the most amazing, wild, mind-blowing sex the world has ever known.
