MyLife Quotes Angela Florio

A person is like a book, you might be mistaken if you judge it by its cover, read too fast and you will skip the good parts, don't dismiss it because it could be a best seller! There's one thing a quote does that nothing and no one else can do, it can become a part of you. You may never meet the person who said it but that person is now a companion. Quotes help you get over pain, feel love, make you smile and laugh, and help you through those tough days when you think that no one knows what you're going through. The best quote isn't having the most beautiful or the longest words, but the one that matches our feelings and touches your heart when you read it.
