A top pick “Hot action in a cold climate! The setting of the Iditarod for this latest thriller gives an exciting and fascinating new edge ...Adair is a romantic suspense maestro” - Romantic Times Magazine

New York Times and USA Today bestselling author Cherry Adair takes readers on a thrill ride through the frozen north where there are dangers greater than the bitter cold-and passions hot enough to melt ice.

Cherry Adair's novel, ON THIN ICE, features veterinarian Lily Munroe, who believed she'd married an honest, dependable man, but discovered she was painfully mistaken. On her honeymoon, she watched as her once-loving husband became a secretive stranger-mixing with shady people and making dangerous deals. Although Lily nursed him through a sudden terminal illness, her marriage was over long before he passed away. During that difficult time, only her passion for the exhilarating Iditarod race across Alaska gave her something to look forward to, and she channeled her emotions into training dogs for the grueling event.

Six years have passed since rancher Derek Wright fell in love with Lily. He's bided his time and bitten his tongue, doing nothing to undermine her marriage. Even when he knew exactly what Lily's husband was up to. Derek isn't letting another minute go by without courting Lily-he's a man who doesn't waste second chances.

Derek Wright is a man Lily dubs Mr. Wrong. Extremely sexy and devilishly charming, Derek is the consummate playboy. Or is he? Although Lily can't deny her intense attraction, she believes he is dangerous to her scarred heart. Little does she know that Derek is an elite anti-terrorism agent.

But now there's even more to worry about than the harsh elements. The frozen wilds of Alaska are perilous, the ice and snow as beautiful as they are deadly. Lily meets with a series of suspicious accidents, and, whether she likes it or not, Derek is determined to keep her safe. The stubborn woman tries everything she can to shake him and take the lead until it becomes obvious that the "mishaps" plaguing her along the trail are something far more sinister. Will Lily survive the race and Derek's proclamation of love?
