The Second World War in Europe: Second Edition

S.P. Mackenzie

The Second World War in Europe: Second Edition S.P. Mackenzie

This is an updated edition of the first truly concise introduction to the history of World War II in the West. The author, S. P. MacKenzie traces the major events on both fighting front and home front, explaining what happened and, just as importantly, why the balance of fortunes swung first towards the Axis and then towards the Allies. Along with overviews of the origins and consequences of the conflict, the book:

- Provides a narrative account of the course of events on land throughout the war
- Contains sections specifically devoted to societies and economies; resistance movements and collaboration; technology and intelligence; alliances and strategy; the war in the air and at sea
- Assesses the impact of the war and introduces the key historiographical debates surrounding it

Far from being a blow-by-blow account, the book shows how the Second World War can only be understood by taking all the contributing factors - military, economic and social among others - into account. In addition to the existing wealth of useful supplementary material, this edition has been updated to include a colour illustration section and, for readers interested in learning more, a detailed narrative guide to published historical literature. Admirably succinct yet academically rich, this is the essential introduction to the Second World War in the West.

From reader reviews:

Vincent Ashworth:

A lot of people always spent their very own free time to vacation or even go to the outside with them friends and family or their friend. Do you know? Many a lot of people spent these people free time just watching TV, or maybe playing video games all day long. If you want to try to find a new activity honestly, that is look different you can read a book. It is really fun to suit your needs. If you enjoy the book which you read you can spent all day long to reading a book. The book The Second World War in Europe: Second Edition it is rather good to read. There are a lot of people that recommended this book. These people were enjoying reading this book. Should you did not have enough space bringing this book you can buy the actual e-book. You can m0ore quickly to read this book through your smart phone. The price is not too costly but this book provides high quality.

Kathleen King:

Reading a book to be new life style in this yr; every people loves to examine a book. When you study a book you can get a great deal of benefit. When you read ebooks, you can improve your knowledge, because book has a lot of information upon it. The information that you will get depend on what forms of book that you have read. If you need to get information about your review, you can read education books, but if you act like you want to entertain yourself look for a fiction books, this kind of us novel, comics, as well as soon. The The Second World War in Europe: Second Edition will give you a new experience in reading through a book.

Miranda Durkee:

Many people spending their moment by playing outside along with friends, fun activity with family or just watching TV the whole day. You can have new activity to invest your whole day by reading through a book. Ugh, you think reading a book really can hard because you have to accept the book everywhere? It ok you can have the e-book, bringing everywhere you want in your Cell phone. Like The Second World War in Europe: Second Edition which is keeping the e-book version. So , try out this book? Let's notice.

Emily Ferrell:

Is it a person who having spare time after that spend it whole day by watching television programs or just telling lies on the bed? Do you need something totally new? This The Second World War in Europe: Second Edition can be the respond to, oh how comes? A book you know. You are therefore out of date, spending your time by reading in this new era is common not a nerd activity. So what these guides have than the others?
