THE NOVEL:

Is sex essential? Is it truly, deeply important in a loving relationship? Of course it is!

Tom and Heather Wellesley are a once-highly-attractive but now slightly boring, out of shape family couple in their thirties whose intimacy and excitement have waned, opening the door for the possibility of divorce.

However on the plus side Tom's love life with Heather begins to percolate wildly, as occurred for the real-life couple upon whose story this rowdy, raunchy, sensuous and sensual tale is lovingly based - and with whose input and enthusiasm it was written. With grander, more intimate and more intriguing successes for Heather - with and occasionally without Tom - to follow. And follow...!!
