"Behold; I Come Quickly" Rev Roland Oben Nsomayong

Human government is failing drastically through sinister influence from the spirit world, and that is affecting all areas of human life. even those who felt there were no spirits at all are now beginning to recognize their influence in human affairs using the media as its greatest channel. All of this is an indication that humanity needs an alternative government; that of the "controversial" Jesus Christ of Nazareth who died and rose again and is alive forever. Just like He said, every eve shall see the Son of Man coming in the clouds with power and great glory. On the other hand, that same devil that is sitting backstage and pulling strings like a typical poppet master will soon manifest as the impostor he is and lure the world into an illusion of false peace that will result in anarchy and death just before the Messiah Jesus Christ lands on earth. the world is left with a choice to make of who they really want. You will make this choice as an individual, and it will affect your life and your eternity. I give you a sign; any time you hear or see anything international that has to do with something in your right hand or forehead, them know the devil's man (his incarnation) has taken control of world affairs. but that will be just for seven years; though the worst time since the earth came to existence. "Behold I Come Quickly" is your guide book to these things; a must read to every believer in times like this. Death is inevitable we all understand; and anyone who does not prepare for the obvious must be ready for whatever comes his way, this is how this topic of the end time is to us who live in these last days. My appeal to you is that you to can get ready right now by asking Jesus Christ into your life a your Lord and personal Savior. His handbook, the Bible was designed to show us His plan and how to live a victorious life in this world while qualifying for the eternal one. Please do all to let everyone know that time is running out too fast. We must rise up and redeem the times for the days are evil. Can you see the growing sub-culture of witchcraft and a combination of some revamped ancient mysticism with the New Age movement spreading? Can you see our values being uprooted under the guise of human rights and freedom and yet the wicked go unpunished. Can you see how man has been reduced to a thing and things are now made idols of man? **OPEN YOUR EYES!!!!**
