Most job interview tips consist of little more than:

- a) memorize some job interview questions
- b) dress up in job interview attire that doesn't make you look homeless and
- c) not sound like a sociopath

And these are all helpful. (Especially the sociopath part.)

Using the information that the job description provides you...

In a super, sneaky, ninja way to kill it at the interview (and get the frickin' job.)

And that's why I wrote *Job Interview Tips That Don't Suck...*
