Meanwhile, the sudden disappearance of millions of people from around the world continues to baffle scientist and evade every scientific explanation possible until a mysterious figure shows up in the office of the Secretary General of the UN and reveals to him the nature of the disappearances. But the explanation is so unbelievable, the Secretary General dares not reveal the truth to the world without weeks of preparation to ready them for this shocking news. Ken Helsley lives in Austin, Texas. He has two sons and one granddaughter. He is a veteran of the United States Navy and has spent most of the last 20 years in the Human Resources and Organizational Consulting field.
