A Secret Kept: A Novel Tatiana de Rosnay

Antoine Rey thought he had the perfect surprise for his sister Mélanie's birthday: a weekend by the sea at Noirmoutier Island, where the pair spent many happy childhood summers playing on the beach. It had been too long, Antoine thought, since they'd returned to the island—over thirty years, since their mother died and the family holidays ceased. But the island's haunting beauty triggers more than happy memories; it reminds Mélanie of something unexpected and deeply disturbing about their last island summer. When, on the drive home to Paris, she finally summons the courage to reveal what she knows to Antoine, her emotions overcome her and she loses control of the car.

Trapped in the wake of a family secret shrouded by taboo, Antoine must confront his past and also his troubled relationships with his own children. How well does he really know his mother, his children, even himself? Suddenly fragile on all fronts – as a son, a husband, a brother and a father – Antoine Rey will soon learn the shocking truth about his family and himself.

By turns thrilling and seductive, with a lingering effect that is bittersweet and redeeming, Tatiana de Rosnay's *A Secret Kept* is the story of a modern family and the invisible ties that hold it together.

From reader reviews:

Elizabeth Ashton:

Book is to be different for every single grade. Book for children until eventually adult are different content. As it is known to us that book is very important usually. The book A Secret Kept: A Novel seemed to be making you to know about other information and of course you can take more information. It doesn't matter what advantages for you. The e-book A Secret Kept: A Novel is not only giving you much more new information but also to be your friend when you truly feel bored. You can spend your personal spend time to read your book. Try to make relationship using the book A Secret Kept: A Novel. You never feel lose out for everything in case you read some books.

Bobby Gonsalves:

Nowadays reading books become more than want or need but also work as a life style. This reading behavior give you lot of advantages. Associate programs you got of course the knowledge even the information inside the book that will improve your knowledge and information. The info you get based on what kind of book you read, if you want drive more knowledge just go with education and learning books but if you want feel happy read one along with theme for entertaining including comic or novel. The particular A Secret Kept: A Novel is kind of e-book which is giving the reader capricious experience.

Nick Peoples:

In this time globalization it is important to someone to obtain information. The information will make you to definitely understand the condition of the world. The fitness of the world makes the information easier to share. You can find a lot of recommendations to get information example: internet, magazine, book, and soon. You will observe that now, a lot of publisher in which print many kinds of book. Often the book that recommended for you is A Secret Kept: A Novel this publication consist a lot of the information with the condition of this world now. This kind of book was represented so why is the world has grown up. The words styles that writer use for explain it is easy to understand. Typically the writer made some study when he makes this book. That's why this book appropriate all of you.

Catherine Gates:

As a college student exactly feel bored to be able to reading. If their teacher asked them to go to the library as well as to make summary for some guide, they are complained. Just little students that has reading's heart and soul or real their interest. They just do what the trainer want, like asked to go to the library. They go to generally there but nothing reading very seriously. Any students feel that examining is not important, boring as well as can't see colorful images on there. Yeah, it is for being complicated. Book is very important to suit your needs. As we know that on this period, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. So , this A Secret Kept: A Novel can make you really feel more interested to read.
