Ever since Lana was a child she has been obsessed with **the alien species** that arrived on Earth fifteen years ago. She has always felt drawn to the inhabitants of planet Rellino and spends her time researching their culture and history in order to get an interplanetary job with them. But when she is denied the position on their planet for a third time, her only chance to live on Rellino is by becoming the mate of a **strong, handsome, domineering young alien man.**

But to be the mate of an alien on planet Rellino, a woman must be completely passive to her man. Lana has always been outspoken, opinionated, and uncontrollable. She must decide if she can submit herself to a man who will try to control her life and her choices or suffer through living on Earth, a planet she has long felt disconnected from.

This novel follows the steamy adventures of Lana and her new suitor Jual as they attempt the first ever interspecies relationship.
