The world was going crazy, so God began to gather His army and not just the Heavenly Host either; He is also using those He created a little lower than the Angels. Believe it or not; the prayers of a fervent man or woman avails much. Jessica has always been a survivor but nothing could prepare her for what she was about to encounter in her new home town of Miracle, Illinois. Seeking a way to fill the empty void in her soul, she decides to take a step of faith. With the help of the Parker's, she finds that she has the power to command things to change around her. She is destined for more than she knows and with the help and support of her new family; she seems to find a new groove until all Hell breaks loose. She must fight to survive; since she has her new friends and family to protect. Will she come into the knowledge that she is not just a normal teenage girl; will she dodge the arrows that fly by day and the pestilence that walks in darkness to make way for the final defeat of the Princess of Darkness. Jessica accepts her purpose and pursues God with such fervor that He openly responds with violence and miracles.
