"*Simon's Cat: Off to the Vet* has dozens of hilarious cartoons of varying lengths....The cartoons are about more than just taking a reluctant cat to the vet (which involves a cardboard box and perfect timing). There are cartoons about destroyed gardens, destroyed bird feeders, destroyed clothes and destroyed furniture. But there are also cartoons about the affection cats can show us, and how we return the love...Every cat lover will love *Simon's Cat: Off to the Vet...and Other Cat-astrophes*."

"My reaction to each new Simon's Cat video or book is the same: YAY!! In this brand-new collection, acclaimed cartoonist Simon Tofield tackles every cat owner's nightmare: going to the vet. It tells the story of how Simon's Cat seems to instinctively know a trip to the vet is about to happen and the lengths he'll go to avoid it, while long-suffering Simon is forced to try all kinds of tricks to get him to cooperate. Sound familiar?"

"Witty and wonderful, *Simon's Cat: Off to the Vet* is a treat for cat lovers or anyone who loves laughter."

--[Midwest Book Review](#)

"Going to the vet occupies 49 pages (many in full, vibrant color) in the center of the 240 pages of hilarity. You will laugh until you cry....The vet visit is only part of the hi-jinx in this new book. You'll laugh at kitty as he deals with the cone of shame and food thievery by the kitten. Several of the vignettes include antics involving the grumpy neighbor and many include various dogs and birds. Those and all the other line-drawn comics are totally relatable if your home is graced by the presence of a cat."

"Laugh-out-loud funny like all of Tofield's work, this book features 240 pages of hilarious new gags and adventures featuring Simon's Cat and his friends....This book will delight cat lovers, and makes a great stocking stuffer."

In the last five years, Simon's Cat has become a global phenomenon. Star of thirty-nine films, which have been watched over 500 million times, and winner of a dozen major industry awards, Simon's Cat has captured the hearts of a worldwide audience. In this brand-new book we see Simon's Cat face any feline's most dreaded scenario--he's off to the vet. And he's not at all happy about it.

Sharing its theme with the first-ever full-color Simon's Cat feature animation, funded by a record-breaking Indiegogo campaign and due to be released alongside the new book, *Simon's Cat Off to the Vet...and Other Cat-astrophes* is packed with over 240 pages of hilarious new gags and adventures featuring our favorite

furry friend and his companions--both old and new.

Says Tofield: "Taking my naughty cat to the vet is one of the most requested film ideas from our fans. It was because of this that I started work on a new film and book based on the crazy situations that arise during these trips! A visit to the vet can be quite a stressful time in real life for both cats and their owners, however my goal is to bring out the comedy, and introduce a cast of extra characters for Simon's Cat to meet, as he gets his claws into his new surroundings!"
