Additional Scripture Quotations – Additional Scripture quotations not mentioned in the text have been quoted in boxes entitled “Additional Truth,” which enhance the subject matter. Additional Scripture References – Additional Scripture references not mentioned in the text have been printed in italics throughout the outline, which can be looked up to enhance the understanding of the subject matter. Reflection and Application Questions – Reflection and Application questions are provided throughout the outline to encourage personal and practical application of what has been learned. This outline guide is published in two editions. The Teacher’s Edition has each blank filled in to help the teacher during public instruction.
