Buddha's Big Foot: From Christianity To The Occult, The Many Echoes Of Buddha-Dharma. Robert Korczynski

"Buddha's Big Foot" presents the well-documented evidence that a Jewish man was not the first person to speak the words of Jesus; they now appear to be oddly translated from the teachings of the Buddha, from around 600 years earlier. The hidden roots of Christianity, and roots of many other Religions are woven together with Buddhism to reveal original meanings in The New Testament books of the Bible, and in other Gnostic Christian books. The teachings of the Buddha are explored from the perspective of their impact on Religions throughout time, and their continued invaluableity in today's world.
