## **Critical Thinking Book One (Grades 7-12)** Anita Harnadek

Develops logical thinking for superior reading comprehension and test success! Critical Thinking teaches students to think logically, present well-developed arguments, and see through unsupported arguments. Book One helps students develop the fundamentals of logic, argumentation, and critical reading.

Easy-to-understand explanations of concepts are followed by examples and real-life, often humorous, discussion problems. Students learn to identify valid and invalid claims and arguments, sufficient and insufficient evidence, fact and opinion, generalizations, emotional arguments, inferences, deductions, and more. Grades 7-12.
