As religious institutions continue to give way to personal spirituality in our time, this book is a much-needed practical guide to internalizing the transformative power of the Holy Feminine (Sophia). Shrouded and repressed for 5000 years, Sophia has now emerged to resume her rightful place as Mother and Co-Creator of the World. Progressive Christians will find a comfort zone within these pages and also be stretched to a new consciousness of their unfolding evolutionary journey. Beginning with a traditional exploration of special women in the Judeo-Christian scriptures, readers progress through to feminist, esoteric, and interfaith teachings. The reflections, exercises, meditations, poetry, singing, and even coloring all encourage the reader to experience fully the creative and embracing Spirit of the Feminine Divine. She's ready to be invited into the reshaping of your heart and life.
