## **Thoughts Without A Thinker: Psychotherapy from a Buddhist Perspective** Mark Epstein

The line between psychology and spirituality has blurred, as clinicians, their patients, and religious seekers explore new perspectives on the self. A landmark contribution to the field of psychoanalysis, *Thoughts Without a Thinker* describes the unique psychological contributions offered by the teachings of Buddhism. Drawing upon his own experiences as a psychotherapist and meditator, New York-based psychiatrist Mark Epstein lays out the path to meditation-inspired healing, and offers a revolutionary new understanding of what constitutes a healthy emotional life.
