He could have it all... but all he wants is her.

Ink & Iron, Book 1

During his soaring career as the lead singer of indie-rock band Ink & Iron, Cole Kennrick has been through it all: sex, drugs, and rock and roll. Overindulging until he lost what mattered most.

Now he's pulled his life together and left his addictions behind, except for one: his ex-wife, Janie. If only he can convince her their love was—still is—the real thing.

In the seven years since their divorce, Janie has kept tabs on the only man she's ever truly loved. The one she had to leave in order to save herself. Still, dark and often kinky desires they explored together linger in her dreams and fantasies.

Janie has seen up close and way-too-personal that rock stars are bad, bad medicine. But when Cole shows up at her yoga studio, clean and sober, his leather-and-motorcycles scent teasing her senses, it's way too tempting to slip right back into the one place she swore she'd never risk again—his arms.

This book has been previously published and has been revised and expanded from its original release.

Warning: One smokin' hot tattooed rock star, five sexy-as-hell motorcycles, and a little spanking—because leather and skin just naturally go together.
