Left For Dead Ebony Canion

Imagine having your innocence stolen at an early age by someone you trust, or struggling financially before even knowing the meaning of the word “struggling”. Ebony Canion has had her share of tumultuous events, yet even she was stunned when a speeding car hit her intentionally, dragging her through the streets with her body folded underneath the vehicle. In a coma for nearly two months, Ebony had no idea her tongue and face had to be sewn back on, or the list of thirty other life-threatening injuries she had sustained. Ebony didn’t know she’d been “Left for Dead”. In this horrifying first-hand account of a survivor, Ms. Canion delivers a riveting story about overcoming tragedy throughout her childhood, and developing the will to live after numerous attacks on her life. Her unimaginable determination to walk, talk, and eat again will leave you spellbound and inspired. Her scars tell a story that must be heard and will have you never wanting to complain again.
