From wikipedia:

"Lear's nonsense works are distinguished by a facility of verbal invention and a poet's delight in the sounds of words, both real and imaginary. A stuffed rhinoceros becomes a "diaphanous doorscraper". A "blue Boss-Woss" plunges into "a perpendicular, spicular, orbicular, quadrangular, circular depth of soft mud". His heroes are Quangle-Wangles, Pobbles, and Jumblies. His most famous piece of verbal invention, a "runcible spoon" occurs in the closing lines of *The Owl and the Pussycat*, and is now found in many English dictionaries"
