She revels in her fascination of the unexpected as she navigates her way through mid -1990's Dallas nightlife. One very bad night brings her face to face with the one man likely to change her mind about...well...everything.

Twenty-three year old Seth Whitaker has every intention of seeing through with his well mapped out life. He is a hard working over-achiever that has no intentions of slowing his pace for anyone. With a fierce determination to not let life pass him by without taking a huge bite, he finds himself inexplicably drawn to the one distraction that could keep him from his best laid plans. Little did he know his determination to keep his life on track would be the very thing to trigger the events that change the course of both their lives.

In this life she had only done one thing right...
