★★★★★ "Wow, this is one amazing roller coaster ride. I absolutely loved the first book and was looking forward to reading the second one. The first one had quite an intriguing plot but the second one blew it out of the water. The plot is beyond amazing, with so many twists and turns that it was a thrill to read it all. It is an absolute must read for any lover of the paranormal. It has a new take on vampires and is one of my favorites to date."

★★★★★ "I'm so glad to say this book is as addictive as the first. It is extremely well written and easy to follow each of the different characters. We find a great deal more out about them in this book along with some really WOW surprises that has you saying "I sure didn't see that coming" I love the style and methods of this author and have become a huge fan!"

Since becoming a vampire, Jerusa Phoenix has been dreading the day that she must go before the Stewards of Life to be judged. Then comes the night she returns home to find a pair of Hunters waiting for her.

Jerusa and her coven are whisked away to meet with the Stewards, and she cannot rely on her maker, Silvanus, to save her this time. Silvanus has been gone for months, searching for the truth of who he really is. Jerusa is unsure what's worse, her pending judgment or that she may never see Silvanus again.

The Stewards hold only two attributes worthy of immortality: beauty and power. Jerusa is strong and fast, far more than any fledgling, but the scar that remains on her chest from her heart transplant as a human will almost surely condemn her to death. Jerusa has one hope. She is the only vampire who can see the spirits of the dead. She has been warned to keep this gift secret from the Stewards, but what choice does she have?

Something is amiss. A new enemy has risen from the ashes of the mountain prison where Silvanus was kept. Rumors abound of a growing army of savages. Jerusa can't bother with any of that right now, though. If she hopes to win her right to remain a perpetual creature, she must find a way to survive the Stewards' cruel and twisted tests.

Fans of Bella Forrest, Charlaine Harris, and J.R. Rain will love the second installment in this gripping Vampire and Ghost Dark Fantasy Series which brings new twists to the old legends.
