Forbidden Curves (Steamy Alpha Taboo Romance) Talia Day

Lacey knew it was trouble to mix business with pleasure.

But that didn't stop her from fantasizing about her drop-dead-sexy **BILLIONAIRE** boss, Ethan Avery. Besides, with dark, smoldering eyes and a body like a Grecian God, who could really blame her? But when fantasies become too hard to handle and Lacey nearly gets caught pleasuring herself in his office, she realizes just how dangerous her depraved desires have become.

Desperate to get him off her mind Lacey gladly accepts an invitation for a night out on the town with her best friend, Kate. Little does she know, however, that the one man she wants to forget is about to walk into her night.

Turns out Lacey's *curvy* body hasn't gone unnoticed. But now that they're removed from the confines of the office she's about to find out that Ethan isn't just a control freak at work. Is she really up to play the naughty girl she so desperately wants to be? Or will Ethan's advances be too much for her to handle?
