In the Black Room: The Black Room, Book 1 Luke Smitherd

There are hangovers, there are bad hangovers, and then there's waking up inside someone else's head. Bartender Charlie Wilkes is faced with this exact dilemma when he wakes to find himself trapped inside The Black Room: a space consisting of impenetrable darkness and a huge, ethereal screen floating in its center. It is through this screen that Charlie sees the world of Minnie - his unwitting and unwilling host - while he undergoes an out-of-body experience like no other.

How did he get there? What has happened to his life? And how can he exist inside the mind of a troubled, fragile, but beautiful woman with secrets of her own? Uncertain whether he's even real or if he is just a figment of Minnie's imagination, Charlie must enlist her help - as well as his newfound psychic abilities - if he is to find a way out of The Black Room, a place where even the light of the screen goes out every time Minnie closes her eyes....
