June Bug Chris Fabry

Now a Lifetime original movie titled *Child of Grace*.

“I believed everything my daddy told me until I walked into Wal-Mart and saw my picture on a little poster . . .” For as long as she can remember, June Bug and her father have traveled the back roads of the country in their beat-up RV, spending many nights parked at Wal-Mart. One morning, as she walks past the greeter at the front of the store, her eyes are drawn to the pictures of missing children, where she is shocked to see herself. This discovery begins a quest for the truth about her father, the mother he rarely speaks about, and ultimately herself. But when her father’s past catches up with them, forces beyond his control draw them back to Dogwood, West Virginia, down a winding path that will change their lives forever.
