Never Back Down A. Zamot

Emma's life hasn't been an easy one. She has had death, friendship, and a traumatic experience that left her feeling unsafe and hated by all. She left her hometown with her mother to a small town in Colorado hoping to get her life back.

Adam has had an easy life. He's an undefeated underground street fighter. He has money, a supportive family, awesome friends, and any girl he could want. But his life is going to change when he meets his new neighbor.

With the help of her new friends and Adam, can Emma get her life back?

Expert:

Em reaches to open the door but I grab her arm to stop her. She raises one of her eyebrow and looks at me. Taking a deep breath I start my speech that I had practice in the locker room.

"Princess, Emma, Em. I have to tell you that when your mom first told me about you and how beautiful and sweet you were, I honestly thought you were going to be a queen bitch." She looks at me with a confused face, not knowing where I'm going with this. "And then I met you and thought you were a hot queen bitch." Now she looks pissed.

"But then I got to know you and realized how funny, smart, and sexy you are. I'm comfortable around you. I feel like I don't have to pretend to be this badass person because in a way you get me."

"Who says you're a badass? I'm sorry Adam but even I could take you." I chuckle because really, she can't.

"Let me finish." She waves her hand for me to continue.

"I love sleeping with you at night. I love cuddling with you and being the person who makes you comfortable enough to sleep. But I want more. I want more because my feelings for you demands it. I like you. And I want you. Will you Emma Colt please be my girlfriend and by saying yes, giving me the more?" Em has her mouth wide open. I don't know why. It was a pretty good speech. Ok, maybe I shouldn't have called her a queen bitch but I was only being honest.

I leaned over and took her face on my hands. "Please say yes Ems." She looks me in the eyes. "I don't know if I can. Not because I don't want to but because there is something you should know about me but I'm not ready to tell you." I can't help it; I peck her lips and smile at her. She's so adorable.
