Filled with inspirational artwork and solid instruction, this guide will delight loyal acrylic painters and encourage artists from other mediums to cross over. Greer's instruction capitalizes on the brilliant colors available in acrylics and shows artists how to paint with them using proven "watercolor" and "oil" techniques. Starting with 16 mini-demos, artists are encouraged to jump right in and follow step-by-step instructions for mastering techniques such as masking, splattering, underpainting, washes and more. They will also learn tips and tricks for rendering many elements of landscape including trees, flowers, roads and reflections. The second section of this book features four complete painting demonstrations that challenge artists to exercise their new painting techniques through a variety of landscape subjects. Two demonstrations also shows artists how to use acrylics as an effective base for other mediums.
