## **Alpha & Omega: A gay werewolf shifter romance** Isabelle Arden

As the youngest son of his pack's Dominant Alpha, **Nicolai Jensen** has always had to fight for whatever he can get. Tired of the struggle, he's decided to strike out into the world to search for someone to call his own – **his fated mate**. But the other half of his soul is the last man Nicolai expects: an unprotected Omega without a pack, who doesn't even know he's a werewolf.

For **Father Aden O'Hanlon**, the closest thing he's ever had to a family is the Church. He's always looked to it to find a sense of safety in the world – a world where he still feels out of place, even after taking his vows. But when the **handsome, mysterious** Nicolai walks into his life, everything Aden thought he knew is turned upside down. Nicolai might hold the answers to every question Aden has ever had about himself – but at what cost?

With Aden about to enter his first heat and a group of rogue Alphas searching for a vulnerable Omega to add to their pack, Nicolai doesn't have a lot of time to explain to Aden who and what he is. The only thing he has to rely on is himself – and his strong Alpha instinct to protect Aden at all costs. **Will his bond with Aden be enough to gain his trust before it's too late?**

**Alpha & Omega is a 54,000-word standalone romance novella, featuring HEA and no cliffhangers.**

**It contains explicit scenes of sexuality and is not intended for anyone under the age of 18.**
