**Basic Polish: A Grammar and Workbook (Grammar Workbooks)** Dana Bielec

*Basic Polish* presents concise explanations of grammar with related exercises, to build confidence in using the modern language.

Assuming no previous knowledge of Polish, the book's step-by-step approach guarantees a thorough grounding in the basics of grammar. Each of the forty units introduces particular grammar points. Clear and concise explanations are supported by a wide range of examples and exercises to allow students to practise and consolidate their learning. Later units also reinforce material taught in earlier ones.

Key features include:

- clear, accessible format
- many useful language examples
- jargon-free explanations of grammar
- abundant exercises with a full answer key
- notes on the Polish alphabet, pronunciation and stress
- Polish-English vocabulary
- subject index.

This second edition has been revised to include updated examples and explanations. It also offers five new appendices containing a comprehensive summary of grammar functions, guidance on studying an inflected language, and helpful information on question words, the important verbs *by?* and *mie?* and perfective and imperfective verb aspects.

Written by an experienced language teacher and author, *Basic Polish* is the ideal introduction to the structures and expressions most widely used in spoken and written Polish. It is suitable for both independent use and classroom study.
