Faith thinks this day can't be any different from the last one or the next. She's married to Mac, the man she loves, is teaching her teenage son, Liam, to drive, and is pregnant with her second child. So Christmas shopping should just be a normal activity.

But when Liam accidentally rear ends the car in front of him on their way home during rush hour, their life seems to spin out of control. He could have hit anyone. But he hit Emily.

Suddenly, Faith's average life is thrown under a blanket of terror and everything changes in an instant. Her husband is threatened, her son is withdrawing, and the baby she's been carrying is in danger. She doesn't know if she can go on when her reason for living is taken from her, but she has to. She has to choose to live. For her son. For her husband. For herself.
