Self serving pompous son of a bi#ch. Yeah, that's Dinero in a nut shell. Orphaned at the age of nine, his back has always been against the wall. Maybe that's why Dinero is so cut throat. Hell it could be that like his brother Sacario, he let a woman make him the hateful nigga from the Hard series. Or maybe its because he's an Alton, one of the Kings of Detroit. 'cause as king he answers to no one. Well before he was The Boss, he was a street kid that wanted the money, power, cars and hoes. Take a trip back in time and find out what made your favorite asshole just that an ass hole. If you thought Dinero to be grimmy now, wait till you see him back then.
