Eats, Shoots & Leaves: The Zero Tolerance Approach to Punctuation Lynne Truss

The spirited and scholarly #1 *New York Times* bestseller combines boisterous history with grammar how-to's to show how important punctuation is in our world—period.

In *Eats, Shoots & Leaves*, former editor Lynne Truss, gravely concerned about our current grammatical state, boldly defends proper punctuation. She proclaims, in her delightfully urbane, witty, and very English way, that it is time to look at our commas and semicolons and see them as the wonderful and necessary things they are. Using examples from literature, history, neighborhood signage, and her own imagination, Truss shows how meaning is shaped by commas and apostrophes, and the hilarious consequences of punctuation gone awry.

Featuring a foreword by Frank McCourt, and interspersed with a lively history of punctuation from the invention of the question mark in the time of Charlemagne to George Orwell shunning the semicolon, *Eats, Shoots & Leaves* makes a powerful case for the preservation of proper punctuation.

We should have Eats, Shoots & Leaves: The Zero Tolerance Approach to Punctuation.

Marian Carson:

As a scholar exactly feel bored in order to reading. If their teacher asked them to go to the library or even make summary for some publication, they are complained. Just small students that has reading's internal or real their leisure activity. They just do what the trainer want, like asked to the library. They go to there but nothing reading critically. Any students feel that studying is not important, boring in addition to can't see colorful photographs on there. Yeah, it is being complicated. Book is very important to suit your needs. As we know that on this era, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. Therefore , this Eats, Shoots & Leaves: The Zero Tolerance Approach to Punctuation can make you feel more interested to read.
