More Musky Tales Bob Jennings

This book has my adventures in Musky Hunting with friends; real, fictional and immortal. The Lonesome Lodge adventures with all its characters and visitors gives an account of some of the secrets that dwell within the walls. The Musky Hunts will prove humorous and enlightening in learning the ways of this enchanted lodge. The penalty for bringing a modern fishing rig to this lodge taxes the imagination. Musky fever strikes many of the visitors and sometimes haunts some of the resident Musky Hunters. The Ken Bucklew sketches bring these adventures to life.
