MAYHEM. MURDER. RETRIBUTION. (THIS BOOK is RATED-R FOR LANGUAGE by the publisher.)

Bush pilot and family man Tom Stokes is about to face the worst day of his life. On a clear winter morning, he sets out in his Cessna 180 to do some repairs on a remote hunt camp, leaving his five-year-old son and very pregnant wife snug in their beds.

On the return trip, a squall forces him into an emergency landing and he winds up—quite literally—in the lap of petty criminal Dale Knight. Dale, now a fugitive from the law—and worse, from a merciless drug lord who just happens to be his brother—draws Tom into a web of mayhem and treachery that puts not only his life at risk, but the lives of his wife, son . . . and unborn child.

SQUALL is a fast-paced, darkly-comic tale of murder and gang-style retribution that grabs the reader on page one and simply does not let go.
